

Amin Daghighi (he/him/his)

1. **Program:** Construction Engineering
2. **Hometown:** Iran
3. **Research Interests:** My research interest is pavement construction and environmental engineering because I believe the future belongs to green constructions.
4. **What are your research interests and why did you choose them?**
Everyone should know that combination of construction and environmental engineering as two masters sounds like crazy, but I love it because I love to make the earth a better place for our next generations
5. **What is one thing everyone should know about your research project/interests?**
Search to find what you want and love to do in your career and pursue your dreams and all you need to do is to work hard for it
6. **Give a shout out to a professor, mentor, advisor, or someone at ISU who has helped you!**
I love to shout out to my two lovely advisors Prof. Jahren and Dr. Taylor for all of their support and help in my journey.
7. **What extracurricular programs or groups have you been a part of at ISU that are foundational to your experience here?**
Being the president of ISSA and helping my community to get to know the Persian culture was a great opportunity for me and I love my every single moments and nights that I spent with IFC group and Eric Warren
8. **What is the most valuable experience you have had while studying at ISU?**
My best experience was the leader opportunities that I had and all happened just because of ISU
9. **What do you plan to do after you graduate from ISU?**
I love to serve my community with my knowledge that I earned and learned from ISU probably somewhere down in Texas or up in Colorado
10. **What motivates you?**
The love that I receive from my father, family and friends and the future that I see for myself are the best sources of motivation for me
11. **Please feel free to share anything else about your life at ISU!**
My spirit animal is tiger not only because he is so cool but also, he knows what he wants and he is patient and he wait and wait and wait and find the best moment to run and then he run with the maximum energy and he get what he wants
12. **Social Media!** Please follow my cooking social media on Instagram ([directly_from_heaven_](#)) I love to cook and show people good food
