

Graduate Student Senate

SENATE BILL S04-02  
January 26, 2004

TITLE: Increase in maximum PAG Research Grant amounts

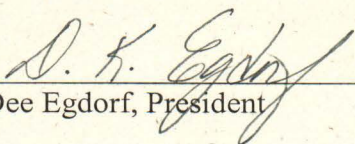

WHEREAS: Many PAG Research Grant applications have demonstrated a need for more than the current level of funding, which is \$300 for an individual student or \$600 for two students who collaborate on one research project, and

WHEREAS: There has been a weak demand for research PAG funds, be it therefore

ENACTED: That the maximum amount of funding available to an individual student for a PAG Research Grant be increased from \$300 to \$500, and be it further

ENACTED: That the maximum amount of funding available to two students who collaborate on one research project to be increased from \$600 to \$1000.
